

SENSITIVE INFORMATION: DO NOT DISTRIBUTE

Activation of the SWTJC Campus Siren System

For Uvalde - Dial **1.830.278.1017** ACCESS CODE 4401

For Del Rio - Dial **1.830.774.5724** ACCESS CODE 1550

For Eagle Pass - Dial **1.830.752.1102** ACCESS CODE 4100

(Underlined Hyperlinks below will provide an online example of the siren tones)

After connection, you will hear a “beep” press 4 digit ACCESS CODE and then either the #1 for [Alert Siren](#) or #7 for the [Fire Bell](#) on your touchtone pad this will activate the Siren tone.

Pressing the # 9 will produce the [ALL CLEAR](#) Siren sound.

Pressing **#** on your keypad will stop it while you are still connected. Or hang up the phone to allow it to continue.

To stop the siren. Dial the required # above and Press the **#** key on your touchtone pad. Hang up the phone.

Click the links below to hear the different alert tones:

Tone	Description
Alert Siren	Severe weather siren recording: 2 second rise to steady siren. Loop steady siren every 11 seconds
Fire Bell	Alarm system bell recording: Loop every 8 seconds
