Re: Unique credentials to teach KINE (PHED) 1100/1110 (activity course only)

Jesus Garcia-Master of Science in Chemistry

Jesus Garcia served as the assistant coach for the SWTJC women's basketball from 2002-2011 on a volunteer basis. In 2011, the coach was moved to another position and could no longer remain coaching. Mr. Garcia assumed the position. He was assigned to this position on the basis of his extensive experience as the assistant coach. He only teaches the PHED 1100/1110 activity course for the purpose of the basketball team. The students are granted credit for this course due to the amount of time they devote to their practices and games.
